

LAUREN BOEBERT

PROUDLY SERVING THE 4TH DISTRICT OF COLORADO

Fiscal Year 2027 Community Project Funding Form

To ensure Congresswoman Lauren Boebert has all the appropriate information to consider your House of Representatives Community Project Funding request, and because the Congresswoman's Office is committed to maintaining the highest ethical standards, please fill out the below form and return it by **March 10, 2026, at 5:00 pm EST**.

Please email your completed Request Form and two letters of community support for the project to boebert.appropriations@mail.house.gov

Community Project Funding allows local governments and qualified non-profits to receive a one-time, small to medium-sized federal allocation (usually \$500,000 to \$5 million) to complete projects of local importance and priority.

Any requests submitted by the Congresswoman will likely focus on major water and infrastructure projects that have a substantial impact on Colorado's Fourth Congressional District with a Federal Nexus. Her office is limited to 20 submissions for the entire district. However, all interested municipalities, counties, and eligible entities are encouraged to submit their requests by the deadline.

Community Project Funds are limited to smaller amounts, targeted to local communities. All funds will be limited to state and local governments and nonprofits that carry out quasi-government functions. For-profit institutions, such as private companies, will not be eligible for funding.

To begin the process of being considered by Congresswoman Boebert for a Community Project Funding request, please complete and return the form below. **If you have multiple projects you wish to be considered for, please submit this form for each project.**

If you have any questions, please also email boebert.appropriations@mail.house.gov and a staffer from the Congresswoman's office will contact you as soon as possible.
